ACCESSION 64A-2125

1959-1962

ICBM and Space Program project files. Records in this accession include correspondence, directives, contract and bidding documents, circulars and orders, construction photographs and guides and specifications for various ICBM facilities. Subjects covered in these documents include ICBM facility construction progress, real estate acquisition, design and construction problem areas, funding requirements and actions, CEFMCO and Los Angeles Field Office operations, Department of the Army audits, training programs, personnel requirements, strikes and other labor problems, Air Force allegations of construction delays, cost overruns and deficiencies, contract procedures and administration, procurement requirements and procedures, security and safety regulations, design criteria, construction costs and schedules, procedures governing OCE's support to ICBM and Space construction programs, ICBM site access road improvement and maintenance, contract modifications, claims and settlements, Interservice agreements governing ICBM construction program, Congressional hearings, inquiries and investigations, contract awards and provisions, contractor deficiencies and protests, construction operations and methods, safety hazards, foundation explorations and topographic surveys, power requirements, construction planning and management and Space program test and operational facilities.

For each box listed below there is a summary of the types of records contained therein. The title for each folder is provided, and, where appropriate, there are brief annotations to clarify those titles and to highlight material of special note. Originating agencies are Missile and Space Branch, Military Construction Directorate, OCE; Los Angeles Field Office, Military Construction Directorate, OCE; and Corps of Engineers Ballistic Missile Construction Office, OCE.

Box 10 285/53 Military Construction Project Files, 1959-1961.
Memoranda, monthly progress reports, letters, circulars and similar documents. Records are arranged by year and filed alphabetically.

Folder 1 Military Construction, ICBM General, July thru December 1959.
ICBM facility design and construction at Forbes, Offutt, Lowry, Vandenberg, Fairchild, Lincoln and F. E. Warren Air Force Bases.

Folder 2 Military Construction, ICBM General, 1959.

Corps of Engineers ICBM construction activities at Vandenberg, Warren, Edwards, Fairchild, Sheppard, Chanute, Offutt, Cooke, Lowry, Holloman and Patrick Air Force Bases.

- Folder 3 Military Construction, ICBM General, Jan-June, 1959.
Atlas and Titan I missile site construction at Vandenberg, Warren, Chanute, Edwards, Patrick, Lowry, Offutt, Forbes, Fairchild, Larson, Mountain Home, Lincoln, Ellsworth, Whiteman and Schilling Air Force Bases.
- Folder 4 Air Force-Corps of Engineers Conference, Lowry Air Force Base, 22 June 1960.
Transcript of conference held to discuss Callistic missile construction problems.
- Folder 5 CEEMCO, Correspondence, CY 1960.
Status of Atlas E and F and Titan I and II construction programs.
- Folder 6 CEEMCO, Organization and Duties, CY 1960.
- Folder 7 ICBM Desk Diary, CY 1960.
Funding estimates, procurement activities, construction delays, labor problems and procedures for improving and maintaining public roads to missile sites.
- X Folder 8 CEEMCO, Letters, CY 1960.
Construction operations at Fairchild, Warren, Forbes, Schilling, Lincoln, Altus, Byess, Walker, Plattsburgh, Lowry, Ellsworth, Peale, Larson, Mountain Home, Davis-Montman, Little Rock, Griffis, Palmstrom, Offutt, Vandenberg, Edwards and Patrick Air Force Bases.
- Folder 9 Learning Curve, CY 1960.
Monthly summaries of ICBM construction problem areas.
- Folder 10 CEEMCO, Organization and Duties, CY 1961.
- Folder 11 CEEMCO, Memoranda, CY 1960.
- Folder 12 CEEMCO, Circulars, CY 1961.
CEEMCO's missions and responsibilities.
- Folder 13 Design Changes, CY 1961.
Analysis of Atlas, Titan I, Titan II and Minuteman facility design changes.
- Folder 14 Design Changes, CY 1960.
- Folder 15 CEEMCO Master Security Classification Guide, CY 1961.
- Folder 16 Military Construction, LOSA Field Office, CY 1960.
Atlas, Titan, Minuteman and Space Programs.
- Folder 17 LOSA Field Office, Missiles, 1959.
Construction progress and problems at Warren, Patrick, Fairchild, Ellsworth, Lincoln, Vandenberg and Edwards Air Force Bases.

Box 11 285/53 Military Construction Project Files, 1959-1961.
Letters, memoranda, tables, notes, progress reports, graphs, maps and similar items. Records are arranged by year and filed alphabetically.

- Folder 1 ICBM General, October, CY 1961.
Atlas B, Atlas D, Atlas F, Titan I, Titan II and Minuteman construction programs.
- Folder 2 ICBM General, September, CY 1961.
Corps of Engineers Activities at Vandenberg and Vandenberg Air Force Bases.
- Folder 3 ICBM General, August, CY 1961.
ICBM Facility design and construction situation at Lincoln, Forbes, Minot and Palmstrom missile bases.
- X Folder 4 ICBM General, July, CY 1961.
Status of missile facility construction at Altus, Dyess, Lincoln, Plattsburgh, Schilling, Walker, Ellsworth and Palmstrom Air Force Bases.
- Folder 5 ICBM General, June, CY 1961.
Construction operations at Atlas F, Titan I, Titan II and Minuteman missile sites.
- Folder 6 ICBM General, May, CY 1961.
Interservice Agreements defining Corps of Engineers and Air Force responsibilities for managing ICBM and Space facility construction programs.
- Folder 7 ICBM General, April, CY 1961.
Status of ICBM construction contract modifications and claims and allegations of excessive design and construction costs.
- X Folder 8 ICBM General, March, CY 1961.
ICBM projects at Beale, Ellsworth, Larson, Lowry, Mountain Home, Altus, Dyess, Fairchild, Forbes, Lincoln, Offutt, Schilling, Plattsburgh, Walker, Griffes, Warren and Palmstrom Air Force Bases.
- Folder 9 ICBM General, February, CY 1961.
Congressional Hearings on ICBM construction program fund requirements.
- Folder 10 ICBM General, January, 1961.
Construction costs and contract administration.
- Folder 11 Military Construction, ICBM General, CY 60.
Corps of Engineers operating procedures for missile facility disaster repairs.
- X Folder 12 Military Construction, ICBM General, December, 1960.
CEB-CO activities at Warren, Offutt, Plattsburgh, Mountain Home, Patrick, Palmstrom, Fairchild, Dyess, Walker, Vandenberg, Forbes, Schilling, Lowry, Ellsworth, McConnell, Lincoln and Forbes Missile Bases.
- Folder 13 ICBM General, November, 1960.
Procurement requirements and problems, funding requirements and actions and design and construction problems at Atlas F, Titan II and Minuteman missile sites.
- Folder 14 ICBM General, October, 1960.
Labor relations, safety problems, contract procedures and administration and construction progress at Atlas B, Atlas F, Titan I, Titan II and Minuteman ICBM sites.
- Folder 15 ICBM General, September, 1960.
Status of ICBM construction at Schilling, Lowry,

Plattsburgh, Larson, Mountain Home, Lincoln, Fairchild, Forbes, Seale, Malmstrom and Ellsworth Air Force Bases.

- Folder 16 ICBM General, July, CY 1960.
Air Force allegations of inefficient Corps of Engineers missile base construction, contract procedures and clauses, missile launch facility tests, Los Angeles Field Office ICBM construction activities and construction situation at Warren, Lowry, Lincoln, Offutt, Schilling, Forbes, Larson and Mountain Home missile sites.
- * Folder 17 ICBM General, April thru June, CY 1960.
Contract procedures and awards, personnel and inspection problems, construction schedules and delays, Air Force interference in Corps of Engineers ICBM construction and status of missile projects at Ellsworth, Forbes, Lincoln, Schilling, Warren, Offutt, Fairchild, Altus, Dyess, Walker, Plattsburgh, Lowry, Seale, Larson, Mountain Home, Vandenberg, Edwards, Patrick, Davis-Monthan and McConnell Air Force Bases.
- Box 12 285/53 Military Construction Projects, 1959-1961.
285/51 Military Construction Administrative File, 1960-1962.
Letters, memoranda, presentations, briefings, tables, papers, reports and similar records. Records are arranged by year and filed alphabetically by subject.
- Folder 1 285/51 Congressional Letters, CY 1962.
Strikes and work stoppages, Department of Defense appropriations, design changes, Air Force directed completion dates, contract procedures, procurement and inspection procedures.
- Folder 2 285/51 Congressional Letters, CY 60-61.
Contractor complaints and inquiries, labor problems, Air Force plans to assign Titan II construction to the Navy's Bureau of Yards and Docks, CERMCO personnel requirements and construction progress at Schilling, Lincoln, Mountain Home, Larson, Fairchild, Davis-Monthan and Malmstrom Air Force Bases.
- Folder 3 285/51 Senate Permanent Subcommittee on Investigations, CY 60-61.
Complaints regarding damages to public roads resulting from ICBM construction, allegations of wasteful construction at ICBM construction sites, investigations of Corps of Engineers contract procedures and construction delays, questions regarding Atlas facility design and construction, inquiries regarding procurement of equipment and materials for missile base construction and hearings on the effects of labor troubles on missile facility construction.

- Folder 4 285/53 ICBM Access Roads, CY 1962.
Sources of funds for repair of public roads damaged as a result of ICBM construction.
- Folder 5 285/53 ICBM Access Roads, CY 1961.
Policies and procedures governing maintenance and improvement of access roads to ICBM construction sites.
- Folder 6 285/53 Strikes, CY 1961.
Review of labor problems affecting ICBM facility construction.
- Folder 7 285/53 Strikes, CY 1961.
Work stoppages at Patrick, Talmstrom, Larson, Mountain Home, Altus, Davis-Monthan, Lowry, Walker, Little Rock, Ellsworth, McConnell, Dyess, Lincoln, Warren, Beale, Forbes, Vandenberg and Schilling Missile Bases.
- Folder 8 285/53 General Electric Strikes, CY 1960.
- Folder 9 285/53 Railroad Strikes, CY 1960.
- Folder 10 285/53 Steel Strike, CY 1959-1960.
- Folder 11 285/53 Accident and Safety Correspondence, CY 1961,
Accident reports, potential safety hazards and status of CEBMCO's efforts to improve its safety record.
- Folder 12 285/51 Organization and Functions, CY 1961.
CEBMCO's organization, mission and functions.
- Folder 13 285/51 Briefings, CY 1961-1962.
Corps of Engineers conflicts with Air Force and status of Atlas F and Space facility construction programs.
- Folder 14 285/51 Military Construction Memorandum, CY 1962.
Security procedures and administrative matters.
- Folder 15 285/51 General Orders, CY 1962.
Military Construction Directorate Personnel assignments.
- Folder 16 285/51 General Orders, CY 1961.
Transfer of ICBM construction responsibilities from Engineer Districts to CEBMCO, Congressional limitations on military construction, personnel assignments and contract procedures.
- Folder 17 285/51 Financial Data, CY 1961.
- Folder 18 285/51 Miscellaneous Correspondence, CY 1961.
Procurement requirements and civilian personnel regulations.
- Folder 19 285/51 Control Branch Correspondence, CY 1961.
Security procedures and administrative matters.
- Folder 20 285/51 Telephone Call Reports, CY 1961.
Construction problem areas and cost estimates.
- Folder 21 285/51 Travel Reports, CY 1961.
OCE staff inspections of Atlas, Titan and Minuteman construction sites.
- Box 13 285/51 Military Construction Administrative Files, 1960-1961.

- 205/53 Military Construction Project Files, 1960-1961.
Manuals, letters, memoranda, papers, speeches, lists, teletypes, notes, tables, charts and reports. Records are arranged by year and filed alphabetically by subject.

- Folder 3 205/51 Instructions for Various Reports, CY 1961.
- Folder 4 205/51 Recurring Reports Instructions, CY 1960.
- Folder 5 205/51 ICBM-IRBM Programs, 1961.
Construction policies and procedures.
- Folder 6 205/53 Missile and Space Branch Construction Directive Record, CY 1962.
- Folder 7 205/53 ICBM Fund Requirements, CY 1960.
Fund requirements and cost estimates for Atlas, Titan and Minuteman construction programs.
- Folder 8 205/53 Construction Deficiencies, CY 1961.
Supply, engineering and construction deficiencies.
- + Folder 9 205/53 Atlas F Summary Reports, CY 1961.
Construction status reports for Altus, Dyess, Lincoln, Plattsburgh, Schilling and Walker Missile Bases.
- Folder 10 205/51 ICBM-313 Funds, CY 1962.
Design and construction schedules.
- Folder 11 205/51 ICBM-313 Funds, CY 1961.
Funding requirement forecasts.
- Folder 12 205/51 Headquarters, Ballistic Systems Division, Organization and Functions Chart Book, 1961.
- Box 14 205/17 Military Construction Administrative Files, 1960-1961.
ICBM Specifications, Atlas, Titan and Minuteman projects. Records are arranged by year and filed alphabetically by project.
- Folder 1 Specifications, Antenna Support Structures, Titan II Missile Launch Facilities, 1961.
- Folder 2 Specifications, Diesel Electric Generating Plants, Minuteman Facilities, 1961.
- Folder 3 Specifications, SAC Antenna Support Structures, Atlas Operational Base Missile Launch Complexes, 1960.
- Folder 4 Specifications, Water Supply and SAC Antenna Support Structures, Titan II Missile Launch Facilities, 1960.
- Folder 5 Specifications for Missile Launch Facilities, Titan II, Phase I, Little Rock AFB, Ark., 1960.
- Folder 6 Specifications for Modification to Missile Assembly Maintenance Shop (MAMS) (Building 1540) and Missile Wing Command Post (MwCP), Titan II, 1961.
- Folder 7 Specifications for Missile Wing Command Post, Titan II Missile Launch Facilities, Davis-Monthan A.F.B., Az., 1960.

- Folder 7 Specifications for Missile Assembly Maintenance Shop and Technical Supply Facility, Titan II Launch Facilities, Davis-Monthan A.F.B., Az., 1960.
- Folder 8 Specifications for Re-Entry Vehicle Facilities, Titan II Missile Launch Facilities, Davis-Monthan A.F.B., Az., 1960.
- Folder 9 Specifications for Phase IIA Construction, Titan II Missile Launch Facilities, 1960.
- Folder 10 Specifications for WS-107 A-2 Technical Facilities and Access Roads, Titan I Missile Launch Sites, Lowry AFB, Col., 1960.
- Box 15 265/17 Military Construction Administrative Files, 1959-1961.
Records include ICBM Specifications, Atlas D and Titan II Programs and report on ICBM facility construction methods. Records are arranged by year and project and filed alphabetically.
- Folder 1 Specifications, Vehicular and Security Facilities and Security Lighting, Offutt AFB, Neb., Atlas "D" Sites, 1960.
- Folder 2 Specifications, Microwave Facilities and Road Rehabilitation and Erosion Control, Offutt AFB, Neb., Atlas "D" Sites, 1961.
- Folder 3 Specifications, Liquid Oxygen Facilities, Offutt AFB, Neb., Atlas "D" Sites, 1960.
- Folder 4 Specifications, Technical Support Facilities and Propellant Loading System, Offutt Air Force Base, Neb., Atlas "D" Sites, 1960.
- Folder 5 Specifications, Atlas Operational Base, Offutt AFB, Neb., Atlas "D" Sites, 1959.
- Bound 1 Specifications for WS-107A Operational Base, Squadron I, Sites A, B, and C., 1959.
Introductory Material.
- Bound 2 Specifications for WS-107A Operational Base, Squadron I, Sites A, B, and C., 1959.
Technical Provisions 1 thru 39.
- Bound 3 Specifications for WS-107A Operational Base, Squadron I, Sites A, B, and C., 1959.
Technical Provisions 40 thru 60.
- Folder 6 Ohio River Division Laboratories Preliminary Report of Data on Construction and Use of Deep Shaft Tunnels, Part I, 1962.
Introductory Material.
- Folder 7 Ohio River Division Laboratories Preliminary Report of Data on Construction and Use of Deep Shaft Tunnels, Part II, 1962.
Geological Summary.
- Folder 8 Specifications, Government Furnished Equipment, Titan II Program, 1961.

Box 16 285/17 Military Construction Administrative Files, 1958-1961.

ICBM Specifications, Atlas and Titan Programs.
Arranged by year and filed alphabetically by project.

- Folder 1 Specifications, Guided Missile and Technical Supply Building, Titan I, Lowry AFB, Col., 1960.
- Folder 2 Specifications, Liquid Oxygen Plant, Titan I, Lowry AFB, Col., 1959.
- Folder 3 Specifications, Posecane Facilities, Titan I, Lowry AFB, Col., 1960.
- Folder 4 Specifications, Posecane Facilities and Venicular and Security Facilities, Atlas D, Offutt AFB, Neb., 1959.
- Round 1 Modification No. 1, WS-107 A-2 Technical Facilities, Titan I, Lowry AFB, Col., Volume 2, 1960.
Government Engineers' estimate.
- Round 2 Modification No. 1, WS-107 A-2 Technical Facilities, Titan I, Lowry AFB, Col., Volume 3, 1960.
Architect Engineers' estimate.

+ Box 17 285/53 Military Construction Project Files, Atlas D, E and F, 1958-1960.

Letters, memoranda, reports, construction and real estate directives, tables, bidding and contract documents and similar items. Records are arranged by year and filed alphabetically by project.

- Folder 1 Atlas General, CY 1960.
Procurement and construction activities at Plattsburgh, Forbes, Offutt, Warren, Ellsworth, Lincoln, Schilling, McConnell, Altus, Byess, Walker, Fairchild, Lowry, Larson, Mountain Home, Beale, Davis-Monthan, Little Rock, Vandenberg and Palmstrom missile bases.
- Folder 2 Altus AFB, Ok., Correspondence and Directives, CY 1960.
- Folder 3 Byess AFB, Tex., Correspondence and Directives, CY 1960.
- Folder 4 Fairchild AFB, Ia., Correspondence and Directives, CY 1960.
Propellant Loading System cleanliness deficiencies and construction acceleration costs.
- Folder 5 Fairchild AFB, Ia., Correspondence and Directives, CY 1959.
